Cancer Experiences Collaborative Final Conference Tuesday 5th and Wednesday 6th April 2011 Radisson Blu Manchester Airport Hotel, Manchester, UK

Please click on this link for further information:

<http://www.ceco.org.uk/resourcedocs/ceco-final-a4.pdf>

This conference is relevant to supportive and palliative care clinicians and managers and policy makers, service users, voluntary sector organisations and academics and researchers.

The programme includes three keynote speakers:

Professor Sir Mike Richards

National Clinical Director for Cancer and End of Life, Department of Health

Dr Kathleen Foley

Memorial Sloan-Kettering Cancer Center, New York

Professor Jessica Corner

Dean, Faculty of Health Sciences, University of Southampton

Jonathan Dimbleby will be hosting an "Any Questions" session.

There will be 'Meet the Expert' sessions and talks about new research will include:

- Management of Complex Symptoms
- End of Life Care for Older People
- Innovations in Research Methods

Places are limited so you are asked to book early. You will find details on the three conference delegate rates available on the booking form.

If you wish to attend the conference, please complete the booking form and return it with your remittance to Anne-Marie McDonnell, CECO Administrator, either by e-mail (A.McDonnell@soton.ac.uk) or mail it to the address detailed on the booking form.
